Paula Foley, Hearing Officer
Massachusetts Department of Telecommunications and Energy
One South Station, 2nd Floor
Boston, MA 02110

Re: Investigation by the Department of Telecommunications and Energy on its own motion, pursuant to G.L. c. 159, §§ 12 and 16, into the regulations, practices, equipment, appliances, and service of Broadview Networks, Inc., D.T.E. 02-14

Dear Hearing Officer Foley:

The Attorney General moves, pursuant to 220 C.M.R. §§ 1.02(4), 1.02(5), to extend the deadline for the submission of his brief ("Brief") from 11:00 a.m. on Thursday, February 21, 2002, to 4:00 p.m. on that same day in the above entitled matter.

As grounds for his motion, the Attorney General asserts that Broadview Networks, Inc. ("Broadview") failed to provide the Attorney General with the record request responses which were due yesterday by the close of business. The Attorney General obtained the record request responses at approximately 10:00 a.m. this morning. In light of the reduction in the Attorney General's time to review the responses and incorporate pertinent information into his Brief, the Attorney General requests a five-hour extension of time in which to file his Brief. The Attorney General requests that he be allowed to file his Brief by 4:00 p.m. on Thursday, February 21, 2002. Broadview does not object to this extension request.

Sincerely,

Wilner Borgella, Jr.
Assistant Attorney General
Utilities Division
